Good Evening Ladies and Gentlemen,

Welcome to the Firs Stadium for this the Sixth
Stock Car Meeting of the 1963 Season.

Tonight we have gathered here the cream of
Britains Formula II Stock Car drivers, who will be fighting
it out for the premier placings and the chance of going
forward to the World Semi-finals next month at either
Southampton or Brafild. You will, we are sure, give a
big welcome to the long distance travelling drivers from
the Devon and Cornwall area, who besides racing here
tonight were all doing battle last night at the Plymouth
Speedway circuit for the West of England Championship.

Many other old favourites are with us tonight
and regular fans need no introduction to these, but if
you are new to Formula II stock cars here are a few boys
to watch - 85 Pete Tucker from Wembley who competed in the
very first Stock Car meeting at New Cross in 1954 and has
competed every year since then at every official Stock Car

Track throughout the country. 58 is Fearless Freddie Funnell of Cranbrook, Kent, also a racer since 1954, well known for his exploits with the old Staines Stock Car Team - certainly not a man to play around with, he knows every trick of the Stock Car game and will put an opponent on his roof as quick as a flash. 643 is Danny Bassett still going strong, raced at the very first Stock Car meeting held in this country, big boy and does wrestling between his race meetings.

Then comes 230 Johnny Allen, cheerful cockney character, lives a stones throw from the New Cross Stadium in the Old Kent Road, who will ever forget his fabulous finish at our last meeting here, dashing out of the last bend with Pete Tucker to take the winners flag when Johnny rode high along the safety fence, somersaulted across the finishing line to take second place. 18 Horry Crofts from Kings Lynn - long time Formula One Stock Car driver, now racing these very quick smaller stock cars, knows his way around here, and we expect to see him well placed tonight. 738 Frankie Wooster rode speedway bikes before his entry into stocks, and has made good use of his speedway knowledge to get around the corners here very fast indeed.

Space here does not permit us to write about all our drivers here, but we would like to say that every man jack of them are really great guys and although they play it rough out there sometimes a nicer bunch you will never find. Good Luck to them all, and may the best man win.

Roll 'em Frank.

Yours,

R and R.
