### A NICE THOUGHT

Two of our lady patrons are collecting, from today until the season ends, for an award to be given to the Junior and the Senior drivers who, in the opinion of our patrons, most deserve it. This is entirely the ladies' own idea, and we hope that you will contribute to their collection. They want only coppers, they say, and hope to make quite a nice amount up by October.

 $<sup>\</sup>ddagger$  Unless notice of re-grading alters the circumstances, this driver will start on the front rank of the 'A' graders — see facing page  $\kappa^{(i)}$
